This is a one day child passenger safety workshop will address policy issues impacting AZ and tribal communities, the latest technological information on airbags, grant programs available for child passenger safety and traumatic brain injury. The last session will focus entirely on the new process for recertification for the child passenger safety technician and information on the refresher course that is due to be released this year.

Day two (optional): there will be a child safety seat check offered for those individuals needing recertification sign-off. Or the opportunity to learn how to do observational seatbelt surveys.

*This workshop is being sponsored by: Inter Tribal Council of AZ, Arizona Department of Health Services, AZ Emergency Nurses Association, Banner Desert Medical Center, AZ Governor's Office of Highway Safety and the Indian Health Service*
